BANGLADESH
Duration: 2020-2024

TECSAI Project, Nageswari, Kurigram

TECSAI PROJECT

Access to Khas water body

The Abasan Nari Unnayan Dal is cultivating fish in a 0.93-acre accessed Khas pond, which was previously controlled by powerful individuals.

Sustainability

The Mowlanapara Golap Nari Unnayan Dal in Bhurungamari is adhering to the TECSAI project guidelines by holding weekly meetings and maintaining a financial reserve one year after the project's phase-out.

TECSAI PROJECT

Group Social responsibility Fund (Rice Bank)

The rice bank initiative has proven to be a lifeline for those facing extreme hardship.

Learning circle

The student learned about climate change and adaptation through the learning circle sessions and have disseminated this knowledge within their families, among friends, and throughout the community.

TECSAI PROJECT

Sumitra Rani's Dream of a New Life

“When our sons left us (me and my ailing husband) and moved to their in-laws' houses, we didn't know how we would survive. However, with the support of the TECSAI project, we are now starting a new life”.

Changes in Shamsunnahar's life

“Before joining the project, we often had to live without meal. Now, we intake three times nutritious meals in a day and are living comfortably”.

TECSAI PROJECT

Successful leader Rashida begum

Rashida Begum is now invited to court arbitrations and community events due to her effective leadership in her group and her efforts in preventing early marriages and divorces.

Amina Begum (65) not dependent for anyone

Before joining the project, my husband and I (Amina Begum-65) often went without meals because we depended on our son. However, we are now self-reliant and no longer depend on anyone.

TECSAI PROJECT

Sharifa's dream has finally come true

Since her marriage, Sharifa's dream has been to have a brick house. Her dream was fulfilled after she joined the TECSAI project as a participant.

Access to the local decision-making body

Dalimon Begum and Sharifa Khatun of Char Berubari Gashful Nari Unnayan Dal have been included as Executive Committee Members of the Char Berubari Community Clinic.

TECSAI PROJECT

Access to Government shelter

When displaced from the embankment & feeling frustrated, they very happy to get government shelter and land by the support of the TECSAI Project.

Director message

Considering the climate vulnery districts of Kurigram MJSKS initiated TECSAI project October 2020 and journey has to be continue December 2024. Huge impact harvested by project participants which relate their rights and livelihoods. Thanks to NETZ Bangladesh for their great contribution towards the audience.
